Dear Kwanlin Dün Citizens:

Re: Amendments to the *Lands Regulation*

The Council of Kwanlin Dün First Nation is considering a change to the KDFN *Lands Regulation*. We are sending this notification because the *Governance Act* says all citizens must be told about any proposed changes to legislation.

The proposed Regulation to Amend the Lands Regulations (the Bill) is needed to resolve conflicts between the *Lands Regulations* and commercial leasing requirements.

The text of the bill is on the reverse of this letter. The full *Lands Regulations* are online at www.kwanlindun.com/laws-and-citizenship/laws-and-policies/. If you have questions about the bill, would like a printed copy, or would like to make comments, please call the Heritage Lands and Resources Office at (867) 633-7800 ext.128, or email lands@kdfn.net.

Second reading of the bill will occur at the Council meeting March 4, 2021, 9:30am - 4:30pm. Council meetings are open to the public.

Sincerely,

Greg Thompson
Heritage, Lands & Resources Director
Kwanlin Dün First Nation
