Dear Shirley:

Further to our attached letter of March 30, 2006 offering Yukon First Nation Enrollment Offices the opportunity to conduct a final enrollment file review, this letter is follow up to inform you and the Kwanlin Dun Chief and Council of the results of the enrollment file review beginning December 4, 2006 and finishing January 5, 2007.

The Yukon Enrollment Office and the First Nation Enrollment Office reviewed every file page by page to ensure our files are a mirror image of the other. The First Nation enrollment files were in good order to begin with, however due to your other commitments with Kwanlin Dun Housing the file review took much longer than expected. Each of our files had some documentation the other was missing which we copied and provided to the appropriate files.

We completed the file review on the following:

- all active enrollment files
- birth extracts of minors not yet enrolled
- deceased enrollment files
- funeral pamphlets
- genealogy charts

We are confident the Kwanlin Dun First Nation enrollment files and the Yukon Enrollment Office files are up to date and complete. The Yukon Enrollment Office will begin the process of archiving the central enrollment files for long-term storage.

I appreciate your commitment to this process and enjoyed working with you completing the enrollment file review.

Sincerely,

Dixie Stevenson
Enrollment Coordinator
