Hello, my name is Allan Taylor, I am running for a councillor's position, and I am looking for your support on March 18, 2026. I am the son of the respected late Henry Charlie and respected late Edna Taylor. I am a true grassroots citizen as I have lived in Kwanlin Dun First Nation all my life. From the Old Village to McIntyre. Yes, I was a past councillor, as I resigned 3 months before an election to get more education and to better myself.
